BOOK SYNOPSIS

“A delight for baseball lovers” (Kirkus Reviews) and “one of the most significant baseball books of the year” (Bob Costas) *Ahead of the Curve* uses stories from baseball’s present and past to examine why we sometimes choose ignorance over information, and how tradition can trump logic. Forget batting average. Kill the “Win.” Say goodbye to starting pitchers. And please, please stop bunting. MLB Network anchor and commentator Brian Kenny provides “an excellent, entertaining read for the all-around baseball fan” (Library Journal) and shows how baseball has been revolutionized—not destroyed—by analytical thinking. Most people who resist logical thought in baseball preach “tradition” and “respecting the game.” But many of baseball’s traditions go back to the nineteenth century, when the pitcher’s job was to provide the batter with a ball he could hit and fielders played without gloves. Instead of fearing change, Brian Kenny wants fans to think critically, reject outmoded groupthink, and embrace the changes that have come with the sabermetric era. In his entertaining and enlightening book, Kenny discusses why the pitching win-loss record, the Triple Crown, fielding errors, and so-called battling titles should be ignored. He also points out how fossilized sportswriters have been electing the wrong MVP’s and ignoring legitimate candidates for the Hall of Fame; why managers are hired based on their looks; and how the most important position in baseball may just be “Director of Decision Sciences.” “Prepare to have your brain and your assumptions challenged. Guided by data and a deep love of the game, Brian Kenny takes a cutting-edge look at where baseball is and where it is going” (Tom Verducci, *Sports Illustrated*). Illustrated with unique anecdotes from those who have reshaped the game, *Ahead of the Curve* is “a great story about the game in the age of information and technology” (Billy Beane).

AHEAD OF THE CURVE INSIDE THE BASEBALL REVOLUTION - Are you looking for Ebook *Ahead Of The Curve Inside The Baseball Revolution*? You will be glad to know that right now *Ahead Of The Curve Inside The Baseball Revolution* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Ahead Of The Curve Inside The Baseball Revolution* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Ahead Of The Curve Inside The Baseball Revolution* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Ahead Of The Curve Inside The Baseball Revolution*. To get started finding *Ahead Of The Curve Inside The Baseball Revolution*, you are right to find our website which has a comprehensive collection of manuals listed.
