## **BOOK SYNOPSIS**

America Anonymous is the unforgettable story of eight men and women from around the country -- including a grandmother, a college student, a bodybuilder, and a housewife -- struggling with addictions. For nearly three years, acclaimed journalist Benoit Denizet-Lewis immersed himself in their lives as they battled drug and alcohol abuse, overeating, and compulsive gambling and sexuality. Alternating with their stories is Denizet-Lewis candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction, where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel "better." Addiction is arguably this country's biggest public-health crisis, triggering and exacerbating many of our most pressing social problems (crime, poverty, skyrocketing health-care costs, and childhood abuse and neglect). But while cancer and AIDS survivors have taken to the streets -- and to the halls of Congress -- demanding to be counted, millions of addicts with successful long-term recovery talk only to each other in the confines of anonymous Twelve Step meetings. (A notable exception is the addicted celebrity, who often enters and exits rehab with great fanfare.) Through the riveting stories of Americans in various stages of recovery and relapse, Denizet-Lewis shines a spotlight on our most misunderstood health problem (is addiction a brain disease? A spiritual malady? A moral failing?) and breaks through the shame and denial that still shape our cultural understanding of it -- and hamper our ability to treat it. Are Americans more addicted than people in other countries, or does it just seem that way? Can food or sex be as addictive as alcohol and drugs? And will we ever be able to treat addiction with a pill? These are just a few of the questions Denizet-Lewis explores during his remarkable journey inside the lives of men and women struggling to become, or stay, sober. As the addicts in this book stumble, fall, and try again to make a different and better life, Denizet-Lewis records their struggles -- and his own -- with honesty and empathy.

**AMERICA ANONYMOUS EIGHT ADDICTS IN SEARCH OF A LIFE** - Are you looking for Ebook America Anonymous Eight Addicts In Search Of A Life? You will be glad to know that right now America Anonymous Eight Addicts In Search Of A Life is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. America Anonymous Eight Addicts In Search Of A Life may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with America Anonymous Eight Addicts In Search Of A Life and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with America Anonymous Eight Addicts In Search Of A Life. To get started finding America Anonymous Eight Addicts In Search Of A Life, you are right to find our website which has a comprehensive collection of manuals listed.
