## BOOK SYNOPSIS

The mother-to-be remembers her shower for many years to come. The shower is also an important part of the celebration and ritual of this major turning point in life. From picking the theme, creating a menu, and deciding on favors, every detail should be carefully attended to and executed with love. Get the delightfully straightforward secrets for planning a shower, dozens of creative ideas for decorating, a plethora of recipes, and endlessly helpful advice to throw memorable and personalized showers with this new book that guides even the first-time hostess through the intricate shower-throwing process.
