BOOK SYNOPSIS

CBIP is the complete reference and buying guide to English-language Canadian books currently in print; consequently, the Author and Title Index, Subject Index and microfiche editions are indispensable to the book profession. With submissions from both small and large publishers, CBIP provides access to titles not listed anywhere else. Containing more than 48,000 titles, of which approximately 4,000 have a 2001 imprint, the Author and Title Index is extensively cross-referenced. The Subject Index lists the titles under 800 different subject categories. Both books offer the most complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses of more than 4,850 houses. The quarterly microfiche service provides updated information in April, July and October. CBIP is constantly referred to by order librarians, booksellers, researchers, and all those involved in book acquisition. In addition, CBIP is an invaluable record of the vast wealth of publishing and writing activity in the scientific, literary, academic and arts communities across Canada. A quarterly subscription service including the annual Author and Title Index (March 2001) plus quarterly microfiche updates (April, July, and October 2001) is also available.
