## **BOOK SYNOPSIS**

"What is the price of living an authentic life? Ellen Krug knows . As a man named, "Ed," she had everything anyone could ever want: a soul mates love, two beautiful daughters, a house in the best neighborhood, a successful trial lawyers career -- a Grand Plan life so picture-pefect it inspired a beautiful pastel drawing. But there was a problem: "Ed" was a woman born into a male body. Finding inner peace meant Ed would have to become Ellen. It also meant losing that picture-perfect life. How could anyone make that choice, pay that kind of price? Then again, how could anyone not? Through what became a "gender journey," Ellen Krug discovered her true self and the honesty it takes to make life-changing decisions. Getting to Ellen is more than one persons story about some things lost and others gained. Its a glimpse into the life choices that all of us make -- whether or not were transgender."
