## **BOOK SYNOPSIS**

Practical, concise, and well-illustrated, Introduction to Massage Therapy, 3rd Edition provides everything you need to build strong, foundation skills that will carry you throughout your studies, help you prepare for the national exam, and launch you into a successful career as a massage therapist. This proven book includes step-by-step instructions for massage techniques, assessments, and treatments, along with striking photos that illustrate difficult-to-understand concepts. As the most concise introductory book on the market, Introduction to Massage Therapy makes it easy for you to find the information you need when you need it, while coverage of anatomy and physiology, pathology, and pharmacology integrated with techniques helps you understand the science behind the practice. The Third Edition is enhanced by new evidence-based references and new online videos that demonstrate common procedures, techniques, and flow sequences. You'll also find practical information that will help you create and maintain a successful massage therapy practice, including communication and documentation tips, safety and self-care practices, and essential business concepts.
