BOOK SYNOPSIS

The past few months have reduced Seraph Black to a permanent state of fight, and now it is all that she knows. She is fighting her friends and family to go off on a suicide mission to rescue Silas, she is fighting the fragmented memories that clamour for recognition inside her mind, and she is fighting a guilt so magnificent? it might just force her to betray the very people that have sacrificed so much to keep her safe. She had asked for space, and it had been given to her in the most heart-rending of ways, leaving only one of the four brothers remaining by her side. Miro Quillan is her last hope. Without him, she may never get her pairs back.
